Accessioning and Disposal

A check with the Map Library and the ARO/ORR indicates that the extra stock of maps in the [redacted] should start being transferred in the very near future. As of this date the Records Center has received 86 maps that are occupying approximately 86 cubic feet of storage space.

Two Record Center employees worked Saturday, 14 February 1959, to burn the records that are in the records disposal area. They succeeded in burning 70 cubic feet, thereby bringing the total in this area to 1,403 cubic feet.
